**CORRECTION TO PREVIOUSLY FILED COVERING
 LETTER FORWARDING DECLARATION TO THE PATENT OFFICE**

Sir:

Applicant previously filed in the Patent Office on November 17, 2005 a covering letter entitled "Submission of Declaration" to which was attached a

Declaration executed by the inventors. Enclosed is a copy of such covering letter and a copy of such Declaration executed by the inventors.

The aforementioned covering letter dated November 17, 2005 sets forth the incorrect serial number of this application, that is, it sets forth the incorrect serial number "10/544,037" instead of the correct "10/554,037".

Applicant wishes to correct the aforementioned submission letter dated November 17, 2005 to indicate the correct serial number "10/554,037".

The enclosed Declaration executed by the inventor is identical to the Declaration previously submitted with the covering letter dated November 17, 2005 and such Declaration properly identifies the application in question by correcting listing the PCT International Application "PCT/JP2003/007298" and the filing date thereof, June 9, 2003. Accordingly, the Declaration executed by the inventors requires no correction. The only correction is to change the serial number on the previously filed covering letter entitled "Submission of Declaration" dated November 17, 2005 from the incorrect Serial No. 10/544,037 to the correct Serial No. 10/554,037.

If there are any charges necessary to effect this correction, please charge to
Patent Office Deposit Account 10-1250.

Respectfully submitted,
